[Check out my PORTFOLIO here](#)

Summary

Passionate software developer with a deep affinity for the MERN (MongoDB, Express.js, React, Node.js) stack. Avid learner and enthusiast of mastering new programming languages and technologies. Eager to embrace any technology within the IT sector, I thrive in dynamic environments where I can contribute my expertise and curiosity to drive impactful solutions.

Experience

Assistant System Engineer Trainee:

Tata Consultancy Services (TCS) • Gurugram, Haryana

11/2022 - Present

Developed NodeJS project, integrated MongoDB & Express, created robust APIs for seamless functionality

Projects

INSTAMINI a MERN app:

"InstaMini" is a captivating MERN application that emulates a social media experience, encompassing user registration, image uploads, friend connections, and interactive features such as liking and commenting on posts. Seamlessly combining the power of MongoDB, Express, React, and Node.js, InstaMini offers a cohesive platform for users to share, connect, and engage, encapsulating the essence of modern social networking within its user-centric interface.

Travel Guide - React App:

"Travel Guide" is a React app that effortlessly integrates Google Maps API and Rapid API to offer users a streamlined and visually engaging experience in locating nearby restaurants and hotels.

Skills

- **Programming Languages** : React, NodeJS, Python and CPP
- **Web Development** : HTML, CSS and JavaScript
- **Database** : MongoDB
- **Frameworks** : Angular
- **Others** : Data Structures and Algorithms

Education

Btech

Shadan college of engineering and technology • Hyderabad, Telangana

Aug-2019 - Aug-2022

Completed Graduation with 72% aggregate in computer science and Engineering.

Diploma

Govt polytechnic kothagudem • kothagudem, Telangana

July-2016 - May-2019

Complete diploma with 90% in Mining Engineering

Languages

- English
- Hindi
- Urdu
- Telugu
